Privacy Consent

We require your consent to collect personal information about you. Please read this information carefully and sign where indicated below.

This Medical practice collects information from you for the primary purpose of providing quality healthcare. We require you to provide us with your personal details and a full medical history so that we may properly assess, diagnose, treat and be proactive in your health-care needs. We will use the information you provide in the following ways:

Administration purposes in running our medical practice.

Billing purposes, including compliance with Medicare, Health insurance Commission, WorkCover and TAC requirements.

And disclosure to others involved in your health care, including treating doctors, physiotherapists and other specialists outside the medical practice. This may occur through referral to other doctors or for medical investigations and in the reports of results returned to us following referrals.

I have read the information above and understand the reasons why my information must be collected. I am also aware that this practice has a privacy policy on handling patient information.

I understand that I am not obliged to provide any information requested of me, but that my failure to do so may compromise the quality of the healthcare and treatment given to me.

I am aware of my right to access the information collected about me, except in circumstances where access might legitimately be withheld. I understand I will be given an explanation in these circumstances.

I understand that if my information is to be used for any purpose other than those set out above, my further consent will be obtained.

I consent to the handling of my information by this practice for the purposes set out above, subject to any limitations on access or disclosure that I notify this practice of.

Photo Consent

I consent for clinical photographs of me taken to be used in the following ways. I understand that any photos to be used for these purposes will not allow my identification. I acknowledge that, upon my request, I may review and alter this form at any time.

☐ Clinical Use – For Our Own Records.

☐ Commercial/Marketing Material

☐ Academic Presentations/Research
